1) Which port was inaugurated by Iranian President Hassan Rouhani on 3 December 2017 as the first phase of the ambitious Indo-Iran Chabahar Port project billed as an “International Gateway”? – **Shahid Beheshti Port**

**Explanation:** Chabahar Port project being built by India in Iran’s southeastern province of Sistan-Baluchestan is being seen as a rival to the Chinese-built Gwadar port off Pakistan, about 80 km away, which is a critical link in China’s Belt and Road Initiative (BRI) and China-Pakistan Economic Corridor (CPEC). Chabahar provides India with an easy land-sea linkup with Afghanistan.

– The first phase of this port in the form of Shahid Beheshti Port was inaugurated by Iranian President Hassan Rouhani on 3 December 2017.

– Chabahar is Iran’s only oceanic port town and consists of two separate ports named Shahid Kalantari and Shahid Beheshti. The opening of the first phase of Shahid Beheshti Port (out of five phases defined for the project), which has tripled its capacity to 8.5 million tons (equal to that of all the northern ports of the country), will allow the docking of super-large container ships (between 100,000 DWT and 120,000 DWT) and increase India’s connectivity with Afghanistan.

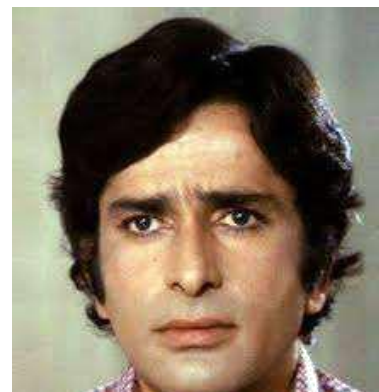

2) What is the name of the new virtual currency (cryptocurrency) announced by Venezuela on 3 December 2017 that will be backed by country’s natural resources? – **‘Petro’**

**Explanation:** ‘Petro’ is the name of the new virtual currency (cryptocurrency) of struggling Latin American country Venezuela that was announced by President Nicolas Maduro on 3 December 2017. It will be backed by oil, gas, gold and diamond reserves, which Venezuela has in abundance. ‘Petro’ is being launched to shore up country’s collapsed economy.

– The announcement highlighted how sanctions enacted this year by U.S. President Donald Trump’s administration are hurting Venezuela’s ability to move money through international banks.

– Venezuela’s real currency, the Bolivar, is in freefall, and the country is sorely lacking in basic needs like food and medicine.

– Cryptocurrencies are typically are not backed by any government or central banks. With ‘Petro’, Venezuela looks to pivot away from the U.S. dollar.

3) Renowned Indian actor Shashi Kapoor passed away on 4 December 2017 in Mumbai. The youngest son of Prithviraj Kapoor, he was among the popular Hindi film actors and one of India’s first actors to go international. In which year he was awarded the prestigious ‘Dada Sabab Phalke Award’? – **2015**

1) India-led International Solar Alliance (ISA) formally came into existence on 6 December 2017 as it became a treaty-based international inter-governmental organisation with more than 121 countries joining hands to focus on large scale deployment of solar energy. ISA is having its headquarters at which place? – **Gurugram**

**Explanation:** International Solar Alliance (ISA) is the name of the alliance created in 2015 through the joint efforts of India and France. It has its headquarters in Gurugram (Haryana).

– It is an alliance of more than 121 countries, most of them being sunshine countries, which come either completely or partly between the Tropic of Cancer and the Tropic of Capricorn. It formally came into existence on 6 December 2017 following ratification by Guinea as the 15<sup>th</sup> country to become a founding-member of the body.

– ISA aims at large scale deployment of solar energy through better harmonization and aggregation of demand from solar rich countries lying fully or partially between the tropics of Cancer and Capricorn.

2) Which religious event of the country has been listed as an Intangible Cultural Heritage under UNESCO as announced on 7 December 2017? – **Kumbh Mela**

**Explanation:** Kumbh Mela, the largest congregation of pilgrims on the planet, has been listed as an Intangible Cultural Heritage under UNESCO (United Nations Educational, Scientific and Cultural Organisation). This inscription is the third in two years following the inscriptions of ‘Yoga’ and ‘Norouz’ on 1 December 2016. Kumbh Mela is held in Haridwar, Allahabad, Ujjain and Nashik.

– The Intergovernmental Committee for the Safeguarding of the Intangible Cultural Heritage under UNESCO inscribed ‘Kumbh Mela’ on the Representative List of Intangible Cultural Heritage of – Humanity during its 12<sup>th</sup> session held at Jeju, South Korea from 4-9 December 2017.

– The inscription of ‘Kumbh Mela’ in the list was undertaken following recommendation by an expert body which examines nominations submitted by member countries of the UNESCO.

3) Which elite nuclear weapons export control regime on 7 December 2017 decided to admit India as its new member thus raising country’s stature in the field of non-proliferation? – **“Wassenaar Arrangement”**

**Explanation:** “Wassenaar Arrangement” (WA) is an elite export control regime that plays a significant role in promoting

transparency and greater responsibility in transfers of conventional arms and dual-use goods and technologies. It was established in Wassenaar in the Netherlands in 1996.

– In a significant development, Wassenaar Arrangement (WA) on 7 December 2017 decided to admit India as its new member, which is expected to raise New Delhi's stature in the field of non-proliferation besides helping it acquire critical technologies. The decision to include India was taken at the two-day plenary meeting of the grouping in Vienna.

– India will now become the Arrangement's 42<sup>nd</sup> participating state as soon as the necessary procedural arrangements for joining the WA are completed.

**5) US President Donald Trump on 6 December 2017 reversed which decades-old American policy pertaining to Palestine-Israel relations and thus upset the Arab world as well as some of its Western allies? – It recognized Jerusalem as the capital of Israel**

**Explanation:** In a surprising and almost unexpected move US President Donald Trump on 6 December 2017 reversed decades of U.S. policy and recognized Jerusalem as the capital of Israel. He announced his administration would begin a process of moving the U.S. embassy in Tel Aviv to Jerusalem.

– The status of Jerusalem – home to sites holy to the Muslim, Jewish and Christian religions – is one of the biggest obstacles to reaching a peace agreement between Israel and the Palestinians.

– The international community does not recognize Israeli sovereignty over the entire city, believing its status should be resolved in negotiations. No other country has its embassy in Jerusalem.

– The announcement was hailed by Israeli Prime Minister Benjamin Netanyahu but other close Western allies of Washington such as Britain and France were critical.

**6) To rein in the problem of malnourishment and stunted growth in the country, the Union Cabinet on 1 December 2017 gave its approval to set up which new mission? – National Nutrition Mission (NNM)**

**Explanation:** The cabinet on 1 December 2017 approved the setting up of a National Nutrition Mission (NNM) with a three-year

budget of Rs. 9,046.17 crore, to rein in malnourishment and stunted growth.

– Under the mission, the government is targeting a reduction of 2% a year in stunting, under-nutrition and low birthweight among 100 million people. It aims to reduce anaemia among young children, women and adolescent girls by 3% a year. The programme would be undertaken in a phased manner, covering 315 districts in 2017-18, 235 districts in 2018-19 and the remaining districts in 2019-20.

– The NNM would be implemented using information technology as the basic tool; workers at anganwadis (women and child development centres) would be given smartphones and their supervisors the smart tablets to monitor daily activities and compile reports. Under this mission the ministries of women and child development, health and family welfare, and water and sanitation will work together.

7) Which two Arab countries on 5 December 2017 announced forming a new economic and partnership group separate from the Gulf Cooperation Council (GCC), a step that is expected to undermine the council amid a diplomatic crisis with Qatar? – **UAE and Saudi Arabia**

**Explanation:** On 5 December 2017 UAE announced that it has formed a new economic and partnership group with Saudi Arabia and it is separate from the Gulf Cooperation Council (GCC). The announcement was made just hours ahead of a GCC meeting in Kuwait.

– This step is expected to undermine the 6-member GCC. GCC is a regional intergovernmental political and economic union consisting of all Arab states of the Persian Gulf, except for Iraq. Saudi Arabia, the UAE, Bahrain, Qatar, Kuwait and Oman are its members. It was formed in 1981 and has its headquarters in Riyadh (Saudi Arabia).

– It is worth mentioning that the UAE and Saudi Arabia have cultivated even-closer ties in recent years. Emirati troops are deeply involved in the Saudi-led war in Yemen.

10-14 Dec 2017

1) What is the name of the first made-in-India Scorpene class submarine that was commissioned into the Indian Navy by Prime Minister Narendra Modi on 14 December 2017? – **INS Kalvari**

**Explanation:** INS Kalvari is the name of the most modern and first made-in-India non-nuclear Scorpene class submarine, which was inducted into the Indian Navy on 14 December 2017. It was inducted into the service by Prime Minister Narendra Modi at an induction programme held in Mumbai.

– Kalvari, named after a deep sea tiger shark, weighs about 1,600 tonnes. Powered by an extremely silent diesel-electric motor, it is very difficult to detect underwater. For self-defence it has mobile anti-torpedo decoys.

– The Navy last inducted a conventional diesel-electric submarine, INS Sindhusashtra, procured from Russia in July 2000.

– It is worth mentioning that six Scorpene-class indigenous submarines are being built by Mazagon Dock Limited in Mumbai as a part of Project-75 of the Indian Navy in technical assistance with French naval defence and energy company DCNS. The remaining five boats of the Project 75 would be delivered by the yard to the Navy by 2020.

– At present India has just about 15 submarines, a mix of Russian-origin Kilo class vessels and German HDW submarines while China has four times as many. The second Scorpene submarine, INS Khanderi, is currently undergoing trials and is likely to be inducted soon.

**3)** Sri Lankan government handed over which strategic port to China on a 99-year lease during December 2017? – **Hambantota**

**Explanation:** Struggling to pay its debt to Chinese firms, the nation of Sri Lanka formally handed over the strategic port of Hambantota to China on a 99-year lease during December 2017.

– Many international experts and critics are of the view that the transfer of port threatens the country's sovereignty. In recent years, China has shored up its presence in the Indian Ocean, investing billions of dollars to build port facilities and plan maritime trade routes as part of its "One Belt, One Road" (OBOR) initiative to help increase its market reach.

– Sri Lankan politicians said the Hambantota deal, valued at \$1.1 billion, was necessary to chip away at the debt, but analysts warned of the consequences of signing away too much control to China.

– Sri Lanka has long been in India's orbit, but its relationship with China has strengthened in recent years.

.....  
**4)** Which state during December 2017 became the first State to endorse the Central government's draft bill that makes instant triple talaq a cognisable and non-bailable offence? – **Uttar Pradesh**

**Explanation:** Union Government's draft Bill on triple talaq, which provides for three-year imprisonment and a fine to a man trying to divorce his wife by uttering "talaq" three times, got the Uttar Pradesh state government's approval. The decision to endorse the bill was taken in a Cabinet meeting headed by Chief Minister Yogi Adityanath on 5 December 2017.

– Uttar Pradesh thus became the first state to endorse the Central government's draft bill. The draft 'Muslim Women Protection of Rights on Marriage Bill' was sent by the

Centre to the States as the practice continued despite the Supreme Court striking it down.

– On 22 August 2017, the Supreme Court struck down triple talaq, calling the practice unconstitutional and in violation of Article 14 of the Constitution, which provides for equality before the law.

## 15 December 2017

1) The Union Government has proposed setting up how many special courts to decide cases involving politicians as accused, a proposal that was given green-signal by the Supreme Court on 14 December 2017? – **Twelve (12)**

**Explanation:** The Union Government on 12 December 2017 told the Supreme Court that it will establish 12 special courts to decide cases involving politicians as accused. It also allotted Rs 7.8 crore for the purpose.

– The apex court had on 1 November 2017 directed the Centre to place before it details regarding 1,581 cases involving MPs and MLAs, as declared by the politicians at the time of filing their nominations during the 2014 general elections.

– On 14 December 2017 the Supreme Court gave its approval to establish these 12 fast track courts.

2) The 11<sup>th</sup> Ministerial Conference of the World Trade Organisation (WTO) was held

at which place from 10 to 13 December 2017? – **Buenos Aires (Argentina)**

**Explanation:** The Eleventh Ministerial Conference (MC11) of World Trade Organisation (WTO) was held from 10 to 13 December 2017 in Buenos Aires, Argentina. The Conference was chaired by Minister Susana Malcorra of Argentina.

– The conference ended without any substantial outcome as consensus eluded the 164-member multilateral body. After the US blocked permanent solution on public stockholding for food security purposes, India toughened its stand on new issues like e-commerce and investment facilitation.

– Finally, consensus could not be reached on a ministerial declaration and the conference ended with a chair's summary which is non-binding in nature.

3) Federal Reserve, the US central bank, increased the benchmark interest rate by 25 basis points (bps) on 13 December 2017. What was an important aspect associated with this policy meeting? – **This was expected to be the last policy meeting chaired by Janet Yellen**

**Explanation:** Federal Reserve chair Janet Yellen chaired in what is expected to be her last policy meeting on 13 December 2017 in which the key interest rate was increased by 25 bps. If confirmed by the US Senate, Fed governor Jerome Powell, President

Donald Trump's nominee to succeed her, will take over when her four-year term as chair expires on 3 February 2017.

- The 7-2 vote for the rate move, the Fed's third this year, raises the benchmark lending rate by a quarter percentage point to a target range of 1.25% to 1.5%.
- The US Federal Reserve also raised its forecast for economic growth in 2018, even as it stuck with a projection for three hikes in the coming year.

**16 December 2017**

**1) In an effort to boost digital payments, the Union Cabinet on 15 December 2017 decided to waive the merchant discount rate (MDR) applicable on all**

debit cards, BHIM and UPI transactions up to Rs 2,000. This waiver will be applicable for what period initially? – **2 years**

**Explanation:** From 1 January 2018, the customers will not be charged fees on all debit cards, BHIM and UPI transactions up to Rs. 2,000 for at least two years. The decision to waive the merchant discount rate (MDR) was taken by the Union Cabinet on 15 December 2017. The MDR will be borne by the Union Government initially for a period of 2 years.

– The Union Government estimated that the MDR to be reimbursed to the banks in respect of transactions less than Rs 2,000 in value would be Rs.1,050 crore in financial year (FY) 2018-19 and Rs.1,462 crore in FY 2019-20.

– As a result of this approval, for all transactions less than Rs. 2000 in value, the consumer and the merchant will not suffer any additional burden in the form of MDR thereby leading to greater adoption of digital payment modes for such transactions.

– MDR is the rate charged to a merchant by a bank for providing debit and credit card services when payment is made at a merchant point of sale (PoS). In most cases, the charge is passed on to the customer by the merchant, saying that it eats into his margin.

**2) Which entity during December 2017 struck a deal to buy film, television and international businesses from Rupert Murdoch's Twenty-First Century Fox Inc. for \$52.4 billion? – Walt Disney Co.**

**Explanation:** Walt Disney Co., which is the world's largest entertainment company, on 14 December 2017 struck a deal to buy film, television and international businesses from Rupert Murdoch's Twenty-First Century Fox Inc. for \$52.4 billion in stock.

– Under the deal, expected to close in 12 to 18 months, Disney acquires 21st

Century Fox's film and television studios, its cable entertainment networks and international TV businesses.

– With this deal Disney receives an arsenal of shows and movies to combat growing digital rivals Netflix and Amazon. On the other hand it brings to a close more than half a century of expansion by Murdoch.

– It is worth mentioning that 86-year old Murdoch has been successful in turning a single Australian newspaper he inherited from his father at the age of 21 into one of the world's most important global news and film conglomerates.

**3) Who was elected unopposed as the President of the Indian Olympic Association (IOA) on 14 December 2017? – Narinder Batra**

**Explanation:** International Hockey Federation (FIH) chief Narinder Batra was elected unopposed as the President of the Indian Olympic Association (IOA) on 14 December 2017. His election to the top post was a mere formality after Asian Tennis Federation (ATF) President Anil Khanna withdrew from the race earlier. On the other hand Rajeev Mehta was re-elected Secretary General for a four-year term.

– With his election, Batra became one of the few sports administrators to head a national Olympic committee while heading an important international sports federation.

**2)** In an exceptional step the UIDAI on 16 December 2017 temporarily barred which major telecom company from conducting Aadhaar-based SIM verification of mobile customers using eKYC on charges of related malpractices? – **Bharti Airtel**

**Explanation:** In its strongest action yet, the Unique Identification Authority of India (UIDAI) on 16 December 2017 temporarily barred Bharti Airtel Ltd and Airtel Payment Bank Ltd from conducting Aadhaar-based SIM verification of mobile customers using eKYC (electronic Know Your Customer) process as well as e-KYC of payments bank clients.

– This exceptional step was taken following allegations of Bharti Airtel using the Aadhaar-eKYC based SIM verification process to open payments bank accounts of its subscribers without their ‘informed consent’.

– This essentially means Airtel would not be able to, in the interim, carry out ‘electronic-verification’ or link mobile SIMs of its customers with their 12-digit biometric national ID Aadhaar though the efficient and paperless eKYC process of UIDAI.

**3)** The Goods and Service Tax (GST) Council on 16 December 2017 decided to make electronic permits (e-way bills) compulsory for inter-state movement of goods from which date? – **1 February 2018**

**Explanation:** Federal indirect tax body the Goods and Service Tax (GST) Council on 16 December 2017 decided to make electronic permits compulsory for inter-state movement of goods from 1 February 2018, which will help in seamless movement of goods across state borders.

– The e-way bill system will be available on a trial basis for voluntary adoption by businesses from 16 January 2018. It will help the tax authorities to monitor cross-border movement of consignments and check instances of under-valuation of goods.

– States have time till 1 June 2018 to implement the national e-way bill system for intra-state goods movement. The Council wants the system to cover the entire movement of goods-within and across states-from June.
